

# BRAIN INJURY

ASSOCIATION OF WINDSOR/ESSEX COUNTY

We are seeking your support for the

## 3<sup>rd</sup> Annual Brain Injury Association of Windsor & Essex Golf Tournament

The BIAWE is a charitable organization committed to enhance the lives of residents of Windsor and Essex County affected by acquired brain injury through education, awareness, and support. The proceeds from the tournament will go directly to support BIAWE, which is funded by families, survivors and local sponsors. Your contribution can support our growing needs.

### Brain Injury Facts

- More than 18,000 Ontarians will suffer an acquired brain injury (ABI) this year
- 1 in 26 Canadians are living with an ABI
- Within the next hour, six Canadians will suffer a brain injury
- 1 in 5 sports-related injuries are head injuries
- Brain injuries are the #1 killer and disabler of people under 44
- ABIs are 30x more common than breast cancer, and 400x more common than HIV/AIDS

Can you support this event? Please be sure to visit our tournament website to view & download the registration & sponsorship packages available: [www.BIAWE.com/golf](http://www.BIAWE.com/golf).
